1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Unitech Limited ("the Company") for the quarter ended 31<sup>st</sup> December, 2022 and year to date results for the period from 1<sup>st</sup> April, 2022 to 31<sup>st</sup> December, 2022 ("the statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended ("the Listing Regulations").
2. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors, has not been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, ("Ind AS 34") "Interim Financial Reporting" as prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statements based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standard(s) on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. *Basis of disclaimer of conclusion*

*Based on our review conducted as above, due to the matters stated at para 5 of this report, we believe that the accompanying Statement of Unaudited Standalone Financial Results is not prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standard (Ind AS) specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, and are not disclosing the information required to be disclosed in terms of the Listing Regulations, including the manner in which, it is to be disclosed, or that it contains material misstatement.*

5. We draw attention to the following matters:

- (i) We draw attention to Note no. 4 and 5 of the Unaudited Standalone Financial Results, which have made references to the Resolution Framework (RF) for Unitech group which has been prepared under the directions of the Board of Directors of Unitech Limited appointed by the Central Government pursuant to the afore-said order of the Hon'ble Supreme Court and approved by the Board of Directors in their Meeting held on June 17, 2020/ September 10, 2020/ October 28, 2020/ April 27 2022 and which has been filed with the Hon'ble Supreme Court. Through RF, the company has requested the Hon'ble Supreme Court to grant some concessions and reliefs so that the company is able to fulfil its obligations towards the construction of the projects and meet other liabilities.

As the RF has not yet been approved by the Hon'ble Supreme Court, the impact of the proposed reliefs, concessions etc. have not been considered in the books of accounts.

We had given a disclaimer of opinion on the standalone financial statements for the year ended 31<sup>st</sup> March, 2022 in respect of this matter.

(ii) **Material uncertainty related to going concern**

We draw attention to Note no. 5 of the Unaudited Standalone Financial Results wherein the management has represented that the Unaudited Standalone Financial Results have been prepared on a going concern basis, notwithstanding the fact that the Company has incurred losses and has challenges in meeting its operational obligations, servicing its current liabilities including bank loans and public deposits. The Company also has various litigation matters which are pending before different forums, and various projects of the Company have stalled/ slowed down.

These conditions indicate the existence of material uncertainty that may cast significant doubt about Company's ability to continue as a going concern. The appropriateness of assumption of going concern is critically dependent upon the Company's ability to raise finance and generate cash flows in future to meet its obligations, and also on the final decision of the Hon'ble Supreme Court on the Resolution Framework. Also, the Board of Directors are exploring various possible options for completion of ongoing projects and are trying to generate additional possible revenues by construction of new flats. This activity is getting conducted under supervision of Justice A.M. Sapre, as appointed by Hon'ble Supreme Court of India.

Considering the above, we are unable to express a conclusion on this matter.

We had given a disclaimer of opinion on the standalone financial statements for the year ended 31<sup>st</sup> March, 2022 in respect of this matter.

- (iii) Unitech Limited (“the Company”) held its annual general meetings for last 2 years with delays. The company had not applied for any extension for these annual general meetings to the Registrar of Companies, NCT of Delhi & Haryana and is in the process of estimation of penalty and other implications due to delay in holding of annual general meeting.

Further, the Company also delayed in filling of its quarterly and annual/year to date results with Security and Exchange Board of India “SEBI”. The Company has not taken any provision related to penalty on account of such delay and management is now planning to seek relief against such penalty from SEBI.

We had given a disclaimer of opinion on the standalone financial statements for the year ended 31<sup>st</sup> March, 2022 in respect of this matter.

- (iv) We draw attention to Note no. 12 of the Unaudited Standalone Financial Results. The Company had received a ‘cancellation of lease deed’ notice from Greater Noida Industrial Development Authority (“GNIDA”) dated 18 November 2015. As per the Notice, GNIDA cancelled the lease deed in respect of Residential/ Group Housing plots on account of non-implementation of the project and non-payment of various dues amounting to Rs. 105,483.26 lakhs. The said land is also mortgaged and the Company has registered such mortgage to a third party on behalf of lender for the Non-Convertible Debenture (NCD) facility extended to the Company and, due to default in repayment of these NCDs, the debenture holders have served a notice to the Company under section 13(4) of the SARFAESI Act and have also taken notional possession of this land. The Company had contractually entered into agreements to sell with 352 buyers and has also received advances from such buyers amounting to Rs. 6,682.10 lakhs (net of repayment). No contract revenue has been recognized on this project.

GNIDA has, in the meanwhile, in terms of the Order of the Hon’ble Supreme Court dated 18.09.2018, deposited on behalf of the Company, an amount of Rs. 7,436.35 Lakhs (Rs. 6,682.10 Lakhs and interest @ 6% on the principal amount of Rs. 6,682.10 Lakhs), out of the monies paid by the Company, with the registry of the Hon’ble Supreme Court. Out of the amount received from GNIDA, the Hon’ble Supreme Court has refunded the amount received in advance along with the interest to those 342 homebuyers who has submitted the relevant documents, as per details of the position of accounts as on 22<sup>nd</sup> November, 2022 received from Hon’ble Supreme Court.

GNIDA has adjusted Rs. 9,200.00 lakhs of Unitech group’s liabilities towards the Company’s other projects with GNIDA and forfeited Rs. 13,893.42 lakhs.

The Company had paid a sum of Rs. 34,221.90 lakhs, including Rs. 4,934.95 lakhs of stamp duty on the land for the said land.

The matter in respect of the land is still pending before the Hon'ble High Court of Allahabad, and pending the final disposal, the Company has, subsequently, shown the amount of Rs. 18,339.80 lakhs as recoverable from GNIDA in its books of accounts including stamp duty of Rs. 4,934.95 lakhs and lease rent paid of Rs. 61,13.11 lakhs. Further, the Company is also carrying

- a) Other construction costs amounting to Rs. 80,575.05 lakhs in respect of the projects to come upon the said land which also includes interest capitalised of Rs. 696,84.68 lakhs.
- b) Deferred liability on account of interest payable to GNIDA appearing in the books of accounts as on 31<sup>st</sup> December, 2022 amounting to Rs. 3,59,206.51 Lakhs (including Rs. 38,649.63 Lakhs booked on account of interest during the period ended 31<sup>st</sup> December, 2022). Out of the interest expense for the period ending 31<sup>st</sup> December, interest amounting Rs. 4,846.67 Lakhs has been capitalised in the books of accounts of the company. The same is in contravention of the provisions of Indian Accounting Standards 23 "Borrowing Costs".

The impact on the accounts viz. inventory, projects in progress, customer advances, amount payable to or receivable from GNIDA, and profit/(loss) for the period cannot be ascertained, since the matter is still subjudice, as mentioned hereinabove, vis-à-vis dues of the Company, and hence we are unable to conclude on this matter.

We had given a disclaimer of opinion on the standalone financial statements for the year ended 31<sup>st</sup> March, 2022 in respect of this matter.

- (v) We draw attention to Note no. 6(a) of the Unaudited Standalone Financial Results, Confirmations/ reconciliations are pending in respect of amounts deposited by the Company with the Hon'ble Supreme Court. As per books of account an amount of Rs. 36,609.89 Lakhs deposited with the Hon'ble Supreme Court Registry ("Registry") is outstanding as at 31<sup>st</sup> December, 2022. Management has received certain details of payments made and monies received in the registry from the Court and has accrued the same in its books of accounts. However, there are still variations of Rs. 934.15 Lakhs between balance as per books of accounts vs balance as per registry details and management is in the process of reconciliation of the same.

Further, for the payments made from its registry, there was no deduction made on account of tax at source and no goods and services tax liability, wherever applicable on reverse charge basis have been complied with.

In view of the reconciliation exercise still in process, possible tax non compliances, we are unable to comment on the completeness and correctness of amounts outstanding with the Registry and of the ultimate impact these transactions would have on the Standalone Financial Statements of the Company, and hence we are unable to express an opinion on this matter.

We had given a disclaimer of opinion on the standalone financial statements for the year ended 31<sup>st</sup> March, 2022 in respect of this matter.

- (vi) We draw attention to Note no. 6(c) of the Unaudited Standalone Financial Results, according to information given and explanation provided to us by the management, in respect of Property, Plant and Equipment (PPE) having net value of Rs. 2,978.52 Lakhs (net of accumulated depreciation of Rs. 7,542.54 Lakhs), there is no physical verification conducted by the Company since last two years. Further, the company does not maintain proper records showing full particulars, including quantitative details and situation of Fixed Assets comprising 'property, plant and equipment and intangible assets' & 'investment property'. In view of this and also of the fact that these PPE's are kept as security for obtaining bank loans and all the loan accounts of the Company (except loan obtained from Punjab National Bank) are at non performing levels, we are not able to express a conclusion on this matter.

We had given a disclaimer of opinion on the standalone financial statements for the year ended 31<sup>st</sup> March, 2022 in respect of this matter.

**(vii) Non-current investment and loans**

Company has made investments and given loans to its subsidiaries, joint ventures, associates and other. Details as on 31<sup>st</sup> December, 2022 are as follows: -

Advances to Joint Ventures and Associates	21.65	-	21.65

We draw attention to Note no. 6(e) of the Unaudited Standalone Financial Results, considering the fact that the accounts of these above mentioned foreign entities are not available with the management and for Indian entities, they are not audited since last 4-5 years plus also taking into accounts the factors such as accumulated losses in above said entities, substantial/ full erosion of net worth, significant uncertainty on the future of these entities and significant uncertainty on recovery of investments and loans, there are

strong indicators of conducting impairment/ expected credit loss assessment for above mentioned investments and loans in accordance with the principles of Indian Accounting Standards 36, “impairment of assets” and Indian Accounting Standards 109 “financial instruments”.

Further: -

- Equity investment – others include investment made in M/s Carnoustie Management (India) Private Limited (Carnoustie) of Rs. 310,05.45 lakhs as on 31<sup>st</sup> December, 2022. Regarding this investment, the Company has already filed an Intervention Application “IA” before Hon’ble Supreme Court of India wherein, the Company has stated that erstwhile management has invested in equity shares of Carnoustie @ Rs. 1,000 – Rs. 1,500 per share including a premium of Rs. 990 – Rs. 1,490 per share. As per IA submitted by the Company, there was no basis available with erstwhile management for such share valuation. Also, there were certain plots allotted to Carnoustie at a price lower than the market rate as on allotment date. Considering the nature of this investment, same is to be valued at fair value through other comprehensive income “FVTOCI” as required under Indian Accounting Standards 109 “financial instruments” but the Company has decided to carry investment made in Carnoustie at cost as the matter is subjudice.
- Investment – CIG – The Company made investment of Rs. 254,53.19 lakhs in CIG realty fund for which no details are available with the Company. As explained by management, the Company is planning to file a separate Intervention Application “IA” before Hon’ble Supreme Court of India requesting Hon’ble Court to take up this matter. Management also explained that CIG funds are already under investigation by Enforcement Directorate (ED) and Serious Fraud Investigation Office (SFIO). Considering the nature of this investment, same is to be valued at fair value through other comprehensive income “FVTOCI” as required under Indian Accounting Standards 109 “financial instruments” but the Company has decided to carry investment made in CIG funds at cost as the matter is under investigation by various authorities.

In view of non-existence of any impairment study, non-existence of any expected credit loss policy in the Company and accounting of investment at cost which were otherwise to be carried at FVTOCI, we are unable to conclude upon the adjustments, if any, that may be required to the carrying value of these non-current investments and non-current loan and its consequential impact on the Unaudited Standalone Financial Results.

We had given a disclaimer of opinion on the standalone financial statements for the year ended 31<sup>st</sup> March, 2022 in respect of this matter.

The company is having outstanding bank and corporate guarantee of Rs. 968,91.26 Lakhs as per its last audited financials for year ending 31<sup>st</sup> March, 2022. The company has not conducted any impairment assessment on the same in accordance with the principles of

Indian Accounting Standards 109 “financial instruments”. In view of the same, we are unable to conclude on the same.

We had given a disclaimer of opinion on the standalone financial statements for the year ended 31<sup>st</sup> March, 2022 in respect of this matter.

**(ix) Trade receivables and other financial assets**

The company has trade receivable and other financial assets as on 31<sup>st</sup> December, 2022 are as follows: -

Amounts in Lakhs of Rs.			
Particulars	Amount	Provision accounted for till 31.12.2022	Carrying amount
Trade Receivable	81,034.05	31,521.87	49,512.18
Security Deposits	52,753.48	934.04	51,819.44
Non-Current Loans and Advances	100.00	-	100.00
Current Loans and Advances	8,270.64	520.00	7,750.64
Advances for purchase of Shares	31,079.48	31,079.48	-
Staff Imprest & Advances	51.85	-	51.85
Advances to others	13.08	-	13.08

We draw attention to Note no. 6(f) of the Unaudited Standalone Financial Results, the company has not assessed loss allowance for expected credit losses on financial assets in accordance with the principles of Indian Accounting Standards AS 109 - “Financial Instruments”.

In view of non-existence of any expected credit loss policy in the Company, we are unable to conclude upon the adjustments, if any, that may be required to the carrying value of these financial assets and its consequential impact on the Unaudited Standalone Financial Results.

We had given a disclaimer of opinion on the standalone financial statements for the year ended 31<sup>st</sup> March, 2022 in respect of this matter.

**(x) Inventory and project in progress**

We draw attention to Note no. 6(d) of the Unaudited Standalone Financial Results, Company, as on 31<sup>st</sup> December, 2022, has shown inventory of Rs. 62,517.96 Lakhs and project in progress “PIP” of Rs. 17,54,366.46 Lakhs. Company is currently carrying these inventory and PIP items at cost which is computed based on percentage of completion method under Indian Accounting Standard 115 “Revenue from Contracts with Customers”. In view of the fact that in majority of the projects of the Company, construction and other operational activities are on hold since last 27-60 months, there are high indicators that such inventory and PIP assets should be tested for evaluating their respective net realisable value “NRV” in accordance with the requirement of Indian Accounting Standard 2 “inventories”.

Further, management is in the process of verification of title documents for land and other immovable assets.

As per the explanation provided by the management, pursuant to the approval of Hon'ble Supreme Court of India, Project Management Consultants (PMCs) have been appointed for the projects for estimation of work done till date, cost to be incurred further to complete the projects and to provide applicable completion timelines. These PMC's have also conducted actual physical assessment of the projects and submitted their reports. Management was earlier of the view that NRV assessment of inventory and PIP can be made only after the appointed PMCs complete their assessment of respective projects and submit their final reports but the same is still awaited.

Further, the Company has during the period capitalized expenses to the tune of Rs. 96,34.22 Lakhs as construction expenses (including interest expense of Rs. 61,54.51 Lakhs). The Same is in contravention of the provisions of Indian Accounting Standard 16 "Property plant and equipment" and Indian Accounting Standard 23 "Borrowing cost" as construction activity for all the projects is stalled since last 5-6 years. This has resulted in understatement of current period loss by above said amount.

Also further, the Company, in its financial results has bifurcated PIP under two headings – "Project in progress on which revenue is not recognized" and "Amount recoverable from project in progress (on which revenue is recognized)". We have not been provided with any basis on which this bifurcation is made.

In view of the absence of any NRV assessment by the management and absence of any physical verification report, capitalization of expenses and interest cost during the period, and absence of any basis of bifurcation of projects in financial results, we are unable to express a conclusion upon the existence and adjustments, if any, that may be required to the carrying value of these inventories and PIP and its consequential impact on the Unaudited Standalone Financial Results.

We had given a disclaimer of opinion on the standalone financial statements for the year ended 31<sup>st</sup> March, 2022 in respect of this matter.

Non accounting of interest / penal interest in earlier period, as part of error accounting, is in contravention to the provisions of Indian Accounting Standard 8 “Accounting policies, changes in accounting estimates and errors”. The Company, is still in process of getting these statements from remaining banks / financial institutions. In view of these, we are unable to comment upon completeness of the balances appearing in books of accounts of the Company and adjustments, if any, that may be required to the books of accounts and its consequential impact on the Unaudited Standalone Financial Results.

We had given a disclaimer of opinion on the standalone financial statements for the year ended 31<sup>st</sup> March, 2022 in respect of this matter.

- (xvi) We draw attention to Note no. 8 of the Unaudited Standalone Financial Results, The Company has accounted for its investment in one of its subsidiary M/s Unitech Power Transmission Limited, as non-current assets held for sale. - The entity’s performance does not create an asset with an alternative use to the entity and; the entity has an enforceable right to payment for performance completed to date.

On perusal of various agreements entered by the Company with home buyers, it seems that the Company does not satisfy any of the conditions specified in paragraph 35 of Indian Accounting Standard 115 “revenue from contracts with customers”.

We had given a disclaimer of opinion on the standalone financial statements for the year ended 31<sup>st</sup> March, 2022 in respect of this matter.

- (xix) The Company has long outstanding statutory liabilities as on 31<sup>st</sup> December, 2022, details of which are as follows: -

<b>Nature of dues</b>	<b>Principal amount outstanding (Rs. in lakhs)</b>	<b>Outstanding since</b>
Income tax deducted at source	102,46.88	Financial Year 2014 - 2015
Professional Tax	0.59	Financial Year 2018 - 2019
