The Unaudited Consolidated Financial Results, which have made references to the Resolution Framework (RF) for Unitech group which has been prepared under the directions of the Board of Directors of Unitech Limited appointed by the Central Government pursuant to the afore-said order of the Hon'ble Supreme Court and approved by the Board of Directors in their Meeting held on June 17, 2020/ September 10, 2020/ October 28, 2020/ April 27, 2022 and which has been filed with the Hon'ble Supreme Court. Through RF, the Holding Company has requested the Hon'ble Supreme Court to grant some concessions and reliefs so that the company is able to fulfil its obligations towards the construction of the projects and meet other liabilities.

As the RF has not yet been approved by the Hon'ble Supreme Court, the impact of the proposed reliefs, concessions etc. have not been considered in the books of accounts. We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2021 in respect of this matter.

Material uncertainty related to going concern

The Unaudited Consolidated Financial Results wherein the Holding Company has represented that the Unaudited Consolidated Financial Results have been prepared on a going concern basis, notwithstanding the fact that, the Holding Company has incurred losses, and has challenges in meeting its operational obligations, servicing its current liabilities including bank loans and public deposits. The Holding Company also has various litigation matters which are pending before different forums, and various projects of the Holding Company have stalled/slowed down.

These conditions indicate the existence of material uncertainty that may cast significant doubt about Holding Company's ability to continue as a going concern. The appropriateness of assumption of going concern is critically dependent upon the Holding Company's ability to raise finance and generate cash flows in future to meet its obligations, and also on the final decision of the Hon'ble Supreme Court on the Resolution Framework. Also, the Board of Directors are exploring various possible options for completion of ongoing projects and are trying to generate additional possible revenues by construction of new flats. This activity is getting conducted under supervision of Justice A.M. Sapre, as appointed by Hon'ble Supreme Court of India.

Considering the above, we are unable to express a conclusion on this matter. We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2021 in respect of this matter.

The Holding Company had received a 'cancellation of lease deed' notice from Greater Noida Industrial Development Authority ("GNIDA") dated 18 November 2015. As per the Notice, GNIDA cancelled the lease deed in respect of Residential/ Group Housing plots on account of non-implementation of the project and non-payment of various dues amounting to Rs. 105,483.26 lakhs. The said land is also mortgaged and the Holding Company has registered such mortgage to a third party on behalf of lender for the Non-Convertible Debenture (NCD) facility extended to the Holding Company and, due to default in repayment of these NCDs, the debenture holders have served a notice to the Holding Company under section 13(4) of the SARFAESI Act and have also taken notional possession of this land. The Holding Company had contractually entered into agreements to sell with 352 buyers and has also received advances from such buyers amounting to Rs. 6.682.10 lakhs (net of repayment). The Holding Company had paid a sum of Rs. 34,221.90 lakhs, including Rs. 4,934.95 lakhs of stamp duty on the land for the said land. The matter in respect of the land is still pending before the Hon'ble High Court of Allahabad, and pending the final disposal, the Holding Company has, subsequently, shown the amount of Rs. 18,339.80 lakhs as recoverable from GNIDA in its books of accounts including stamp duty of Rs. 4,934.95 lakhs and lease rent paid of Rs. 61,13.11 lakhs. on account of interest during the period ended 30" September, 2021). Out of the interest mentioned above Rs. 8,642.64 Lakhs has been capitalised in the books of accounts of the Holding Company. The same is in contravention of the provisions of Indian Accounting Standards 23 "Borrowing Costs". The impact on the accounts viz. inventory, projects in progress, customer advances, amount payable to or receivable from GNIDA, cannot be ascertained, since the matter is still subjudice, as mentioned

hereinabove, vis-à-vis dues of the Holding Company, and hence we are unable to conclude on this matter. We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2021 in respect of this matter,

In view of the reconciliation exercise still in process and absence of other statement of transactions and confirmation of balance from the Registry, we are unable to comment on the completeness and correctness of amounts outstanding with the Registry and of the ultimate impact these transactions would have on the Unaudited Consolidated Financial Results of the Company, and hence we are unable to conclude on this matter. Equity investment – others include investment made in M/s Carnoustie Management (India) Private Limited (Carnousite) of Rs. 310,05.45 lakhs as on 30° September, 2021. Considering the nature of this investment, same is to be valued at fair value through other comprehensive income "FVTOCI" as required under Indian Accounting Standards 109 "financial instruments" but the Holding Company has decided to

carry investment made in Carnousite at cost as the matter is subjudice. The Unaudited Consolidated Financial Results, The Holding Company has not assessed loss allowance for expected credit losses on financial assets in accordance with the principles of Indian Accounting Standards AS 109 - "Financial Instruments".

In view of non-existence of any expected credit loss policy in the Holding Company, we are unable to conclude upon the adjustments, if any, that may be required to the carrying value of these financial assets and its consequential impact on the Unaudited Consolidated Financial Results. Inventory and project in progress

The Unaudited Consolidated Financial Results, Holding Company, as on 30° September, 2021, has shown inventory of Rs. 62,517.96 Lakhs and project in progress "PIP" of Rs. 17,32,785.25 Lakhs. Holding Company is currently carrying these inventory and PIP items at cost which is computed based on percentage of completion method under Indian Accounting Standard 115 "Revenue from Contracts with Customers*. In view of the fact that in majority of the projects of the Holding Company, construction and other operational activities are on hold since last 24-60 months, there are high indicators that such inventory and PIP assets should be tested for evaluating their respective net realised value "NRV" in accordance with the requirement of Indian Accounting Standard 2 "inventories". Further, management is in the process of verification of title documents for land and other immovable assets. As per the explanation provided by the management, pursuant to the approval of Hon'ble Supreme Court of India, Project Management Consultants (PMCs) have been appointed for the projects for

estimation of work done till date, cost to be incurred further to complete the projects and to provide applicable completion timelines. These PMC's have also conducted actual physical assessment of the projects and submitted their reports. Management was earlier of the view that NRV assessment of inventory and PIP can be made only after the appointed PMCs complete their assessment of respective projects and submit their final reports but same is still awaited.

Further, the Holding Company has capitalized expenses to the tune of Rs. 11,524.75 Lakhs as on 30" September, 2021 as construction expenses (including interest expense of Rs. 2,581.03 lakhs). This Same is in contravention of the provisions of Indian Accounting Standard 16 "Property plant and equipment" and Indian Accounting Standard 23 "Borrowing cost" as construction activity for all the projects is stalled since last 4-5 years. This has resulted in understatement of current year loss by above said amount. Also further, the Company, in its financial statements has bifurcated PIP under two headings - "Project in progress on which revenue is not recognized" and "Amount recoverable from project in progress

(on which revenue is recognized)". We have not been provided with any basis on which this bifurcation is made.

CIN: L74899DL1971PLC009720

In view of the absence of any NRV assessment by the management and absence of any physical verification report, capitalization of expenses and interest cost, and absence of any basis of bifurcation of projects in financial statements, we are unable to conclude upon the existence and adjustments, if any, that may be required to the carrying value of these inventories and PIP and its consequential impact on the Unaudited Consolidated Financial Results. We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31* March, 2021 in respect of this matter.
