The Unaudited Consolidated Financial Results wherein the Holding Company has represented that the Unaudited Consolidated Financial Results have been prepared on a going concern basis. notwithstanding the fact that, the Holding Company has incurred losses, and has challenges in meeting its operational obligations, servicing its current liabilities including bank loans and public deposits. The Holding Company also has various litigation matters which are pending before different forums, and various projects of the Holding Company have stalled/slowed down.

These conditions indicate the existence of material uncertainty that may cast significant doubt about Holding Company's ability to continue as a going concern. The appropriateness of assumption of going concern is critically dependent upon the Holding Company's ability to raise finance and generate cash flows in future to meet its obligations, and also on the final decision of the Hon'ble Supreme Court on the Resolution Framework. Also, the Board of Directors are exploring various possible options for completion of ongoing projects and are trying to generate additional possible revenues by construction of new flats. This activity is getting conducted under supervision of Justice A.M. Sapre, as appointed by Hon'ble Supreme Court of India. Considering the above, we are unable to express a conclusion on this matter.

We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2021 in respect of this matter.

The Holding Company had received a 'cancellation of lease deed' notice from Greater Noida Industrial Development Authority ("GNIDA") dated 18 November 2015. As per the Notice, GNIDA cancelled the lease deed in respect of Residential/ Group Housing plots on account of non-implementation of the project and non-payment of various dues amounting to Rs. 105,483.26 lakhs. The said land is also mortgaged and the Holding Company has registered such mortgage to a third party on behalf of lender for the Non-Convertible Debenture (NCD) facility extended to the Holding Company and, due to default in repayment of these NCDs, the debenture holders have served a notice to the Holding Company under section 13(4) of the SARFAESI Act and have also taken notional possession of this land. The Holding Company had contractually entered into agreements to sell with 352 buyers and has also received advances from such buyers amounting to Rs. 6,682.10 lakhs (net of repayment). No contract

GNIDA has, in the meanwhile, in terms of the Order of the Hon'ble Supreme Court dated 18.09.2018, deposited on behalf of the Holding Company, an amount of Rs. 7,436.35 lakhs (Rs. 6,682.10 lakhs and interest @ 6% on the principal amount of Rs. 6,682.10 lakhs), out of the monies paid by the Holding Company, with the registry of the Hon'ble Supreme Court.

GNIDA has adjusted Rs. 9,200.00 lakhs of Unitech group's liabilities towards the Holding Company's other projects with GNIDA and forfeited Rs. 13,893.42 lakhs. The Holding Company had paid a sum of Rs. 34,221.90 lakhs, including Rs. 4,934.95 lakhs of stamp duty on the land for the said land.

The matter in respect of the land is still pending before the Hon'ble High Court of Allahabad, and pending the final disposal, the Holding Company has, subsequently, shown the amount of Rs. 18,339.80 lakhs as recoverable from GNIDA in its books of accounts including stamp duty of Rs. 4,934.95 lakhs and lease rent paid of Rs. 61,13.11 lakhs. Further, the Holding Company is also carrying a) Other construction costs amounting to Rs. 80,575.05 lakhs in respect of the projects to come upon the said land which also includes interest capitalised of Rs. 696,84.68 lakhs.

 b) Deferred liability on account of interest payable to GNIDA appearing in the books of accounts as on 31" December, 2021 amounting to Rs. 3,08,768.49 Lakhs (including Rs. 33,574.52 Lakhs booked on account of interest during the period ended 31" December, 2021). Out of the interest mentioned above Rs. 13,217.62 Lakhs has been capitalised in the books of accounts of the Holding Company. The same is in contravention of the provisions of Indian Accounting Standards 23 "Borrowing Costs" The impact on the accounts viz. inventory, projects in progress, customer advances, amount payable to or receivable from GNIDA, cannot be ascertained, since the matter is still subjudice, as mentioned

nereinabove, vis-à-vis dues of the Holding Company, and hence we are unable to conclude on this matter. We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2021 in respect of this matter. The Unaudited Consolidated Financial Results, Confirmations/reconciliations are pending in respect of amounts deposited by the Holding Company with the Hon'ble Supreme Court. As per books of account an amount of Rs. 45,363.84 lakhs deposited with the Hon'ble Supreme Court Registry ("Registry") is outstanding as at 31st December, 2021. Management has received certain details of

payments made and monies received in the registry from the Court and is in process of reconciling the same with entries posted in books of accounts. In view of the reconciliation exercise still in process

and absence of other statement of transactions and confirmation of balance from the Registry, we are unable to comment on the completeness and correctness of amounts outstanding with the Registry and of the ultimate impact these transactions would have on the Unaudited Consolidated Financial Results of the Company, and hence we are unable to conclude on this matter. We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31st March, 2021 in respect of this matter. The Holding Company has classified some of its property plant and equipment as Investment Property under Indian Accounting Standard "Ind AS" 40. According to information given and explanation provided to us by the management, the Company has not disclosed or obtained fair valuation of any of the properties classified as investment property under Ind AS 40. Due to non availability of any

audited since last 3-4 years plus also taking into accounts the factors such as accumulated losses in above said entities, substantial/ full erosion of net worth, significant uncertainty on the future of these entities and significant uncertainty on recovery of investments and loans, there are strong indicators of conducting impairment/ expected credit loss assessment for above mentioned investments and oans in accordance with the principles of Indian Accounting Standards 36, "impairment of assets" and Indian Accounting Standards 109 "financial instruments".

Equity investment - others include investment made in M/s Carnoustie Management (India) Private Limited (Carnoustie) of Rs. 310,05.45 lakhs as on 31\*December, 2021. Regarding this investment the Holding Company has already filed an Intervention Application "IA" before Hon'ble Supreme Court of India wherein, the Holding Company has stated that erstwhile management has invested in equity shares of Carnousite @ Rs. 1,000 - Rs. 1,500 per share including a premium of Rs. 990 - Rs. 1,490 per share. As per IA submitted by the Holding Company, there was no basis available with erstwhile management for such share valuation. Also, there were certain plots allotted to Carnousite at a price lower than the market rate as on allotment date. Considering the nature of this investment same is to be valued at fair value through other comprehensive income "FVTOCI" as required under Indian Accounting Standards 109 "financial instruments" but the Holding Company has decided to carry investment made in Carnousite at cost as the matter is subjudice.

Investment - CIG - The Holding Company made investment of Rs. 254,53.19 lakhs in CIG realty fund for which no details are available with the Holding Company. As explained by management, the Holding Company is planning to file a separate Intervention Application \*IA\* before Hon'ble Supreme Court of India requesting Hon'ble Court to take up this matter. Management also explained that CIG 23. The Holding Company is not making provisions / accruals of expenses on reporting dates and is accounting for expenses on cash basis. The same is in violation with conceptual framework of Indian funds are already under investigation by Enforcement Directorate (ED) and Serious Fraud Investigation Office (SFIO). Considering the nature of this investment, same is to be valued at fair value through other comprehensive income "FVTOCI" as required under Indian Accounting Standards 109 "financial instruments" but the Holding Company as on 01" April, 2020, there is no information / supporting documents available with the Holding Company as the matter is under investigation by various authorities.

In view of non-existence of any impairment study, non-existence of any expected credit loss policy in the Holding Company and accounting of investment at cost which were otherwise to be carried at FVTOCI, we are unable to conclude upon the adjustments, if any, that may be required to the carrying value of these non-current investments and non-current loan and its consequential impact on the Unaudited Consolidated Financial Results.

In view of the same, we are unable to conclude on the same.

We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2021 in respect of this matter. Trade receivables and other financial assets

The Holding Company has trade receivable and other financial assets as on 31" December, 2021 are as follows: -Amounts in Lakhs of Rs.

In view of non-existence of any expected credit loss policy in the Holding Company, we are unable to conclude upon the adjustments, if any, that may be required to the carrying value of these financial 25. assets and its consequential impact on the Unaudited Consolidated Financial Results.

We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2021 in respect of this matter Inventory and project in progress

Holding Company, as on 31" December, 2021, has shown inventory of Rs. 62,517.96 Lakhs and project in progress "PIP" of Rs. 17,38,925.43 Lakhs. Holding Company is currently carrying these inventory and PIP items at cost which is computed based on percentage of completion method under Indian Accounting Standard 115 "Revenue from Contracts with Customers". In view of the fact that in majority of the projects of the Holding Company, construction and other operational activities are on hold since last 24-60 months, there are high indicators that such inventory and PIP assets should be tested for evaluating their respective net realised value "NRV" in accordance with the requirement of Indian Accounting Standard 2 "inventories". Further, management is in the process of verification of title documents for land and other immovable assets.

As per the explanation provided by the management, pursuant to the approval of Hon'ble Supreme Court of India, Project Management Consultants (PMCs) have been appointed for the projects for estimation of work done till date, cost to be incurred further to complete the projects and to provide applicable completion timelines. These PMC's have also conducted actual physical assessment of the projects and submitted their reports. Management was earlier of the view that NRV assessment of inventory and PIP can be made only after the appointed PMCs complete their assessment of respective projects and submit their final reports but same is still awaited. Further, the Holding Company has capitalized expenses to the tune of Rs. 17,793.78 Lakhs as on 31st December, 2021 as construction expenses (including interest expense of Rs. 4,050.18 lakhs). This

Same is in contravention of the provisions of Indian Accounting Standard 16 "Property plant and equipment" and Indian Accounting Standard 23 "Borrowing cost" as construction activity for all the projects is stalled sincelast 4-5 years. This has resulted in understatement of current year loss by above said amount. Also further, the Holding Company, in its financial statements has bifurcated PIP under two headings - "Project in progress on which revenue is not recognized" and "Amount recoverable from project in

progress (on which revenue is recognized)". We have not been provided with any basis on which this bifurcation is made.

uarter & nine months period ended 31" December, 2021 In view of the absence of any NRV assessment by the management and absence of any physical verification report, capitalization of expenses and interest cost, and absence of any basis of bifurcation of projects in financial statements, we are unable to conclude upon the existence and adjustments, if any, that may be required to the carrying value of these inventories and PIP and its consequential impact

We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2021 in respect of this matter **External Confirmation** The Holding company has not initiated the process of external confirmation for outstanding balances of following areas as on 31" December, 2021 are as follow: -
