Subject: Status updates of various projects – reg.

Dear Homebuyers,

We have been receiving emails from some groups/ individual Homebuyers to know the status updates on the projects where they have booked their Housing/ Commercial units and construction works have been commenced. As per the feedback received from a cross-section of the Homebuyers, they expect to know the status updates on the project in which they have booked their Units before the due date of payment of instalments. We respect this feedback as it would give them (the Homebuyers) the required confidence in making timely payments.

2. The management has streamlined the system so as to ensure that the homebuyers do not have to send email requests on this account. Please take note of the following schedule:

Sr. No.	Due date of Instalment Payment	Status update on the Project to be submitted by the PMC as on	Date of submission by the PMC in the prescribed format	Date of Uploading on the website by the Unitech Management
(i)	10 th January	15 th December of the previous year	20 th December of the previous year	31 st day of December of the previous year
(ii)	10 th April	15 th March	20 th March	31 st March
(iii)	10 th July	15 th June	20 th June	30 th June
(iv)	10 th October	15 th September	20 th September	30 th September

3. Every effort shall be made to adhere to the above schedule.

4. The Homebuyers can view the Status of their Project, as updated on quarterly basis, on **Project Construction Status** on the **Homepage**.
