We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2022 in respect of this matter, Pursuant to regulation 33(3)(h) of the Listing Obligations and Disclosure Requirements of Securities and Exchange Board of India, the holding company shall ensure that, for the purposes of guarterly consolidated financial results, at least 80% of each of the consolidated revenue, assets and profits, respectively, shall have been subject to audit.

The consolidated financial results of the holding company consist of 26.86% of the consolidated revenue, 62.78% of the consolidated assets and 77.65% of the consolidated loss that have been audited by auditors of holding company. Accordingly, the holding company is in non-compliance of the requirements of Listing Obligations and Disclosure Requirements of Securities and Exchange Board of India. The Consolidated Financial Results, which have made references to the Resolution Framework (RF) for Unitech group which has been prepared under the directions of the Board of Directors of Unitech

Limited appointed by the Central Government pursuant to the afore-said order of the Hon'ble Supreme Court and approved by the Board of Directors in their Meeting held on June 17, 2020/ September 10, 2020/ October 28, 2020/ April 27, 2022 and which has been filed with the Hon'ble Supreme Court. Through RF, the Holding Company has requested the Hon'ble Supreme Court to grant some concessions and reliefs so that the Company is able to fulfil its obligations towards the construction of the projects and meet other liabilities.

As the RF has not yet been approved by the Hon'ble Supreme Court, the impact of the proposed reliefs, concessions etc. have not been considered in the books of accounts. We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2022 in respect of this matter.

Material uncertainty related to going concern

Basic and Diluted (Rs.) *(Not Annualized)

The Holding Company has represented that the Consolidated Financial Results have been prepared on a going concern basis, notwithstanding the fact that, the Holding Company has incurred losses, and has challenges in meeting its operational obligations, servicing its current liabilities including bank loans and public deposits. The Holding Company also has various litigation matters which are pending before different forums, and various projects of the Holding Company have stalled/slowed down. These conditions indicate the existence of material uncertainty that may cast significant doubt about Holding Company's ability to continue as a going concern. The appropriateness of assumption of going

concern is critically dependent upon the Holding Company's ability to raise finance and generate cash flows in future to meet its obligations, and also on the final decision of the Hon'ble Supreme Court on the Resolution Framework. Also, the Board of Directors are exploring various possible options for completion of ongoing projects and are trying to generate additional possible revenues by construction of new flats. This activity is getting conducted under supervision of Justice A.M. Sapre, as appointed by Hon'ble Supreme Court of India. Considering the above, we are unable to express an opinion on this matter.

We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2022 in respect of this matter. The Holding Company had not applied for any extension for conducting annual general meeting to the Registrar of Companies, NCT of Delhi & Haryana. The Holding Company is in the process of estimation

of penalty and other implications due to delay in Holding of annual general meeting. Further, the Holding Company also delayed in filling of its quarterly and annual/year to date results with Security and Exchange Board of India "SEBI". The Holding Company has not taken any provision related to penalty on account of such delay and management is now planning to seek relief against such penalty from SEBI.

We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2022 in respect of this matter The Holding Company had received a 'cancellation of lease deed' notice from Greater Noida Industrial Development Authority ("GNIDA") dated 18 November 2015. As per the Notice, GNIDA cancelled the

lease deed in respect of Residential/ Group Housing plots on account of non-implementation of the project and non-payment of various dues amounting to Rs. 105,483.26 lakhs. The said land is also mortgaged and the Holding Company has registered such mortgage to a third party on behalf of lender for the Non-Convertible Debenture (NCD) facility extended to the Holding Company and, due to default in repayment of these NCDs, the debenture holders have served a notice to the Holding Company under section 13(4) of the SARFAESI Act and have also taken notional possession of this land. The Holding Company had contractually entered into agreements to sell with 352 buyers and has also received advances from such buyers amounting to Rs. 6,682.10 lakhs (net of repayment). No contract

GNIDA has, in the meanwhile, in terms of the Order of the Hon'ble Supreme Court dated 18.09.2018, deposited on behalf of the Holding Company, an amount of Rs. 7,436.35 lakhs (Rs. 6.682.10 lakhs and interest @ 6% on the principal amount of Rs. 6,682.10 lakhs), out of the monies paid by the Holding Company, with the registry of the Hon'ble Supreme Court. Out of the amount received from GNIDA, the Hon'ble Supreme Court has refunded the amount received in advance along with the interest to those 342 homebuyers who has submitted the relevant documents, as per details of the position of accounts as on 22nd November, 2022 received from Hon'ble Supreme Court.

GNIDA has adjusted Rs. 9,200.00 lakhs of Unitech group's liabilities towards the Holding Company's other projects with GNIDA and forfeited Rs. 13,893.42 lakhs. The Holding Company had paid a sum of Rs. 34.221.90 lakhs, including Rs. 4,934.95 lakhs of stamp duty on the land for the said land.

The matter in respect of the land is still pending before the Hon'ble High Court of Allahabad, and pending the final disposal, the Holding Company has, subsequently, shown the amount of Rs. 18,339.80 lakhs as recoverable from GNIDA in its books of accounts including stamp duty of Rs. 4,934.95 lakhs and lease rent paid of Rs. 61,13,11 lakhs. Further, the Holding Company is also carrying

a) Other construction costs amounting to Rs. 80,575.05 lakhs in respect of the projects to come upon the said land which also includes interest capitalised of Rs. 696,84.68 lakhs. b) Deferred liability on account of interest payable to GNIDA appearing in the books of accounts as on 31" March, 2022 amounting to Rs. 3,72,777.42 Lakhs (including Rs. 52,220.54 Lakhs booked on account of interest during the year ended 31" March, 2023). Out of the interest mentioned above Rs. 4,846.67 Lakhs has been capitalised in the books of accounts of the Holding Company. The same is in

contravention of the provisions of Indian Accounting Standards 23 "Borrowing Costs". The impact on the accounts viz. inventory, projects in progress, customer advances, amount payable to or receivable from GNIDA, cannot be ascertained, since the matter is still subjudice, as mentioned

hereinabove, vis-à-vis dues of the Holding Company, and hence we are unable to conclude on this matter. We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2022 in respect of this matter.

Confirmations/reconciliations are pending in respect of amounts deposited by the Holding Company with the Hon'ble Supreme Court. As per books of account an amount of Rs. 31,191.85 lakhs deposite with the Hon'ble Supreme Court Registry ("Registry") is outstanding as at 31° March, 2023. Management of Holding Company has received certain details of payments made and monies received in the registry from the Court and has accrued the same in its books of accounts. However, there are still variations of Rs. 934.15 Lakhs between balance as per books of accounts vs balance as per registry details and management is in the process of reconciliation of the same. Further, for the payments made from its registry, there was no deduction made on account of tax at source and no goods and services tax liability, wherever applicable on reverse charge basis have been

In view of the reconciliation exercise still in process, possible tax non compliances, we are unable to comment on the completeness and correctness of amounts outstanding with the Registry and of the

ultimate impact these transactions would have on the Consolidated Financial Statements of the Holding Company, and hence we are unable to express an opinion on this matter. We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2022 in respect of this matter.

Non-current investment and loans Holding Company has made investments and given loans to its joint ventures, associates and others. Details as on 31" March, 2023 are as follows:

Amount in Lakhs of Rs. Impairment accounted for till 31.03.2023 Amount invested Carrying amount Particulars | 54046.56 54046.56 Equity investment - joint ventures Equity investment - associates 2.99.25 2.99.25 Equity investment - others 310.40.70 310.40.70 Debenture investment 13.03.29 13.03.29 254.53.18 254,53.18 Investment - CIG 8.70 8.70 Corporate guarantees Loans to Joint Ventures and Associates 83.81.00 83.81.00 Advances to Joint Ventures and Associates 21.68

Considering the fact that the accounts of these above mentioned foreign entities are not available with the management and for Indian entities, they are not audited since last 3-4 years plus also taking into accounts the factors such as accumulated losses in above said entities, substantial/full erosion of net worth, significant uncertainty on the future of these entities and significant uncertainty on recovery of investments and loans, there are strong indicators of conducting impairment/ expected credit loss assessment for above mentioned investments and loans in accordance with the principles of Indian Accounting Standards 36, "impairment of assets" and Indian Accounting Standards 109 "financial instruments"

Equity investment - others include investment made in M/s Carnoustie Management (India) Private Limited (Carnousite) of Rs. 310,05.45 lakhs as on 31" March, 2023. Regarding this investment, the Holding Company has already filed an Intervention Application "IA" before Hon'ble Supreme Court of India wherein, the Holding Company has stated that erstwhile management has invested in equity shares of Carnousite @ Rs. 1,000 - Rs. 1,500 per share including a premium of Rs. 990 - Rs. 1,490 per share. As per IA submitted by the Holding Company, there was no basis available with erstwhile management for such share valuation. Also, there were certain plots allotted to Carnousite at a price lower than the market rate as on allotment date. Considering the nature of this investment, same is to be valued at fair value through other comprehensive income "FVTOCI" as required under Indian Accounting Standards 109 "financial instruments" but the Holding Company has decided to carry

investment made in Carnousite at cost as the matter is subjudice Investment - CIG - The Holding Company made investment of Rs. 254,53.19 lakhs in CIG realty fund for which no details are available with the Holding Company. As explained by management, the Holding Company is planning to file a separate Intervention Application "IA" before Hon'ble Supreme Court of India requesting Hon'ble Court to take up this matter. Management also explained that CIG funds are already under investigation by Enforcement Directorate (ED) and Serious Fraud Investigation Office (SFIO). Considering the nature of this investment, same is to be valued at fair value through other comprehensive income "FVTOCI" as required under Indian Accounting Standards 109 "financial instruments" but the Holding Company has decided to carry investment made in CIG funds at cost as the matter is under investigation by various authorities.

In view of non-existence of any impairment study, non-existence of any expected credit loss policy in the Holding Company and accounting of investment at cost which were otherwise to be carried at FVTOCI, we are unable to conclude upon the adjustments, if any, that may be required to the carrying value of these non-current investments and non-current loan and its consequential impact on the audited Consolidated Financial Results.

We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31st March, 2022 in respect of this matter. Impairment Assessment of Bank and Corporate Guarantees

The Company has not conducted any impairment assessment on the same in accordance with the principles of Indian Accounting Standards 109 "financial instruments". In view of the same, we are unable to conclude on the same.

We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2022 in respect of this matter. Trade receivables and other financial assets

The Holding Company has trade receivable and other financial assets as on 31" March, 2023 are as follows: -Amounts in Lakhs of Rs. **Particulars** Amount Provision accounted for till 31.03.2023 Carrying amount 78751.93 Trade Receivable 31,521.87 47230.06 Security Deposits 52818.32 934.04 51884.28 Non-Current Loans and Advances 100.00 100.00 520.00 6097.34 Current Loans and Advances 6617.34 Advances for purchase of Shares 31,079.48 31,079.48 47.09 Staff Imprest & Advances 47.09

Advances to others 13.08 13.08 The Holding Company has not assessed loss allowance for expected credit losses on financial assets in accordance with the principles of Indian Accounting Standards AS 109 - "Financial Instruments". In view of non-existence of any expected credit loss policy in the Holding Company, we are unable to conclude upon the adjustments, if any, that may be required to the carrying value of these financial

assets and its consequential impact on the audited Consolidated Financial Results. We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2022 in respect of this matter.

Inventory and project in progress Holding Company, as on 31st March, 2023 has shown inventory of Rs. 62,517.96 Lakhs and project in progress "PIP" of Rs. 17,56,942.48 Lakhs. Holding Company is currently carrying these inventory and PIP items at cost which is computed based on percentage of completion method under Indian Accounting Standard 115 "Revenue from Contracts with Customers". In view of the fact that in majority of the projects of the Holding Company, construction and other operational activities are on hold since last 24-60 months, there are high indicators that such inventory and PIP assets should be tested for evaluating their respective net realised value "NRV" in accordance with the requirement of Indian Accounting Standard 2 "inventories". Further, management is in the process of verification of title documents for land and other immovable assets.

As per the explanation provided by the management, pursuant to the approval of Hon'ble Supreme Court of India, Project Management Consultants (PMCs) have been appointed for the projects for estimation of work done till date, cost to be incurred further to complete the projects and to provide applicable completion timelines. These PMC's have also conducted actual physical assessment of the

projects and submitted their reports. Management was earlier of the view that NRV assessment of inventory and PIP can be made only after the appointed PMCs complete their assessment of respective projects and submit their final reports but same is still awaited. Further, the Holding Company has during the year capitalized expenses to the tune of Rs. 11,249.80 Lakhs as construction expenses (including interest expense of Rs. 6.154.51 lakhs). This Same is in contravention of the provisions of Indian Accounting Standard 16 "Property plant and equipment" and Indian Accounting Standard 23 "Borrowing cost" as construction activity for all the projects is stalled since last 4-5 years. This has resulted in understatement of current year loss by above said amount.

Also further, the Holding Company, in its financial statements has bifurcated PIP under two headings - "Project in progress on which revenue is not recognized" and "Amount recoverable from project in progress (on which revenue is recognized)". We have not been provided with any basis on which this bifurcation is made. In view of the absence of any NRV assessment by the management and absence of any physical verification report, capitalization of expenses and interest cost during the year, and absence of any basis of

bifurcation of projects in financial statements, we are unable to express an opinion upon the existence and adjustments, if any, that may be required to the carrying value of these inventories and PIP and its

consequential impact on the Consolidated Financial Statements. We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2022 in respect of this matter.

The Holding Company has expressed its inability to send confirmation requests in respect of above-mentioned areas due to uncertainty about the amount receivable and payable appearing in the books of accounts which are outstanding for significantly long period of time. Interest expense on the said loans is accrued at a provisional rate of interest. Such provisional rate of interest is based on the details available with the Holding Company regarding interest rates charged by banks / financial institutions and the same are 4-5 years old. Further, the Holding Company is also accruing penal interest in few of the loans. In view of these, we are unable to comment upon completeness of the balances appearing in books of accounts of the Holding Company and adjustments, if any, that may be required to the books of accounts and its consequential impact on the audited Consolidated Financial Results. We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31 "March, 2022 in respect of this matter.

The Holding Company is in the process of estimating impact of its contingent liabilities which is subject to the decision of Hon'ble Supreme Court of India on proposed resolution framework submitted by the Group. In absence of the same, we are unable to express an opinion on the impact of such contingent liabilities on the Holding Company.

We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2022 in respect of this matter. The Holding Company has made many adjustments in accordance with Indian Accounting Standards applicable to the Company as on 31" March, 2020. The Holding Company is in the process of dentifying the impact already incorporated in the books of accounts in previous years. In view of the same, we are unable to express an opinion on completeness of the impact of Indian Accounting Standard appearing in the books of account of the Company.

Revenue from real estate projects

We draw attention to Note no. 9(g) of the Consolidated Financial Results, The Holding Company is accounting for revenue under real estate projects using percentage of completion method (POCM) with an understanding that performance obligations are satisfied over time. Provisions of paragraph 35 of Indian Accounting Standard 115 "revenue from contracts with customers" specifies that an entity can recognize revenue over time if it satisfies any one of the following criteria:-

The customer simultaneously receives and consumes the benefits provided by the entity's performance as the entity performs

We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2022 in respect of this matter.

 The entity's performance creates or enhances an asset (for example, work in progress) that the customer controls as the asset is created or enhanced • The entity's performance does not create an asset with an alternative use to the entity and; the entity has an enforceable right to payment for performance completed to date.

On perusal of various agreements entered by the Holding Company with home buyers, it seems that the Holding Company does not satisfy any of the condition specified in paragraph 35 of Indian Accounting Standard 115 "revenue from contracts with customers".

Based on the explanation provided by the management, they are in agreement with our understanding and are in the process of evaluation of its impact on the present and earlier presented periods. In view of the above, we are unable to express an opinion on all the matter mentioned above.

We had given a disclaimer of opinion on the Consolidated Financial Statements for the year ended 31" March, 2021 in respect of this matter. 5. The Holding Company has long outstanding statutory liabilities as on 31° March, 2023 details of which are as follows:-

management took over. Accordingly, the same are still outstanding in the books of accounts of the Holding Company.

Outstanding since Nature of dues Principal amount outstanding (Rs. in lakhs) Financial Year 2014 - 2015 ncome tax deducted at source 102,46.88 Professional Tax Financial Year 2018 - 2019 rovident Fund 24.42.87 Financial Year 2015 - 2016 Regarding tax deducted at source, the Holding Company has decided not to deposit outstanding amount of tax deducted at source till 20" January, 2020 i.e. period before the date when court appointed

During financial year ending 31" March, 2023, the Holding Company is not deducting tax at source at the time of booking of expenses / accounting entry but is deducting the same at the time of payment. Same is in contravention of the provisions of chapter XVII of Income-tax Act, 1961 which mandates deduction of tax at source at earlier of booking or payment. The Holding Company is filing its GST returns in the states wherein it has obtained registration. However, there is no reconciliation available with the Holding Company for the sales / input tax credit "ITC"
